

## Quilts for Kids: Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

### Northeast Georgia Chapter

### August 2014

This month's memorable events included a trip to Children's Healthcare of Atlanta, Scottish Rite, to deliver 25 quilts. Assisting me on the trip was Carol Johnson pictured below. We are not allowed to deliver quilts to the kids but the volunteer services department was glad to see our beautiful quilts.

Also this month, I received a phone call from Christine R. who lives in Kennesaw and is moving to Tampa soon. I had purchased fabric from her two years ago that she had advertised on Craig's List. She was calling to offer a donation of fabric to our chapter. "Why yes, we'd love to have it," I said. And what a bounty it was! Thanks Christine, our kids will love these fabrics.

Thanks to all who have signed out kits this month and turned in completed quilts. I had thought it would be a slower month for our production but as you can see on page 2, it was a busy month despite vacations. The three neighborhood sewing groups have also been actively gearing up and working hard. Our stash of quilts is good as we enter the new month. We'll be ready for the cooler weather. Keep stitching and we'll keep giving them away. We didn't hit 800 for our 28 months in "business" but could tomorrow as we begin August.

Good job everyone!

July 3rd workshop, Betty G. (right) turned in 12 quilt tops, one made from squares made by Jan D. (left). Betty G. and Chris A. in middle row photo. Betty has pieced 54 tops and 9 kits in the one year she has been helping us. WOW!

Pictured are some of the finished quilts turned in this month.

From Quilts for Kids Headquarters.....

It's a win-win situation. You go to [SHOP.COM](http://SHOP.COM) and choose from the best collection of stores you love and the brands and products you can't live without.

It's the most comprehensive shopping site you've ever seen, helping you browse hundreds of stores at once. And the best part is, many products offer you a cash rebate.

Or maybe the best part is that for every dollar you spend at [www.shop.com/quiltsforkids](http://www.shop.com/quiltsforkids)

Quilts for Kids earns royalties. A percentage of every sale comes to QFK so that you can help the children we serve by buying stuff you need anyway.

Give it a try!
