Members of the Boo Crew of the Northeast Georgia Chapter of Quilts for Kids recently dressed up and delivered quilts to nine patients on the pediatric floor of Northeast Georgia Medical Center.

Chapter leader Betty Wright and volunteers Abit Massey, Ginny Stump and Carol Johnson made up the Boo Crew.

The quilts are made by volunteers and donated to hospital patients each Friday. An assortment of quilts is available for each child to choose from. Each quilt bears the signature of the person who made it and filled it with "hugs."

Kits containing the pre-cut fabrics are available to sign out and return "ready for delivery." Volunteers are needed to cut and sew these quilts. Anyone interested should contact [info@NeGaQuiltsforKids.org](mailto:info@NeGaQuiltsforKids.org) for more information.
