### Do What???

The news this month is that my husband Harold and I are moving to a new residence in North Hall County to be near his 2 children, 5 grandchildren and 4 (soon to be 5) great grandchildren.

Yes, we have lost our minds, but why not? It's time to leave the driveway from hell and be out in the country, out where we can see the stars at night. It's a little farther out for me to travel but should be well worth the drive. And my new digs will have a two room studio in the basement. One room for the longarm (Big Bertha) and one room for cutting and sewing. I am so excited about the possibility and should close on the deal on July 31st and begin to move.

In the meantime, it's business as usual while we pack. Your participation in making quilts or attending a workshop is always appreciated. The kids still need our support as they keep getting ill. See page 2 for an invitation to an upcoming party.

## You Are Invited

Our August 13th workshop at Hopewell UMC will mark our seventh anniversary for meeting at this location. Through the years we have met many lovely ladies who have helped us to make quilts. We'd like to invite them all back for a "reunion" of sorts to catch up with them and share a meal together.

We will have the workshop as usual starting at 10am and will break at noon to celebrate. Join us for all or part of the day. Meat will be provided by Q4K.

So please put this date on your calendar and join us for fun and fellowship with old friends. We have missed seeing you and welcome this opportunity to see you again.

If you will, let me know that you plan to attend so that I may have a count for the meat. Email me at [northeastgaq4k@gmail.com](mailto:northeastgaq4k@gmail.com) or call me at 678-617-9671. Betty Wright
