## Our 5000th Quilt Donation

Today, May 17th, the team of Lorrie K, Jane K, Chris A, Betty W, and Abit M. delivered the 5000th quilt to patient Ada M, an 18 month old girl, at Northeast Georgia Medical Center.

Other quilts were delivered to 2 year old Gavin and a 5 year old boy who was still asleep. The nursing staff will give him the quilt later today.

To mark this milestone the local newspaper was present to capture the event and the article will appear in the Life section of the Gainesville Times tomorrow.

Below is the delivery crew for today's event. The four ladies rotate quilt delivery each Friday to the Pediatric Department of NGMC. Pictured are (Left to right:) Chris A, Jane K, Betty W, Lorrie K, and Abit M. (our #1 Supporter)

See page 2 for the photo of Ada.

And the recipient of the 5000th quilt is  
Ada M. pictured with her mother Amanda.

Get well soon Ada!

She did not  
enjoy our visit  
and we don't  
blame her for  
being upset.

There were  
seven of us in  
the room, two  
with cameras.  
What an ordeal!

She later  
smiled at me  
when I said,  
"Goodbye".

We hope that  
she enjoys the  
"bird" quilt that  
she received.
