

## Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

### Lesson learned:

Don't pass on quilt shop information without checking it out with the shop owner. Georgia Sewing and Quilting is not planning to close. Just selling the current property.

Sorry about the fuss I caused.

### Now for an update on Chapter news:

The hospital continues to be busy with pediatric patients.

The volume of incoming quilts is reduced, probably due to everyone getting out and enjoying the Summer.

The number of kits I have is adequate for now and I have fabric to make more.

So if you have kits out, please finish them as you can. Our supply for infant/toddler is low. If considering making a quilt or signing out a kit, consider the fabric and choose ones for babies or toddlers. Our need is highest for this age group.

Safe travels for the Holiday and enjoy the weekend.  
Happy Birthday America!
