Our chapter of Quilts for Kids delivered 101 quilts in August. Thanks to Elleda R. of the Spirited Quilters guild in Duluth for making so many quilts for Dianne F. to deliver to CHOA. Others contributed also and to them we are grateful. Northeast Georgia Medical Center received 14 quilts each week to provide for their pediatric patients hospitalized there. One patient even sent me a Thank You note. See page 2 for a peek.

6497 is the year -to-date total for our chapter. Congratulations for almost hitting 6500. WOW, that's a bunch of quilts!

I continued to pick up finished quilts that were left at Georgia Sewing and managed to shop a little while I was there. The sale prices were fantastic and the choices were what we needed for backs. I hate to see the shop close. I will miss seeing many of you there. Hopefully our paths will cross again soon. It's been a great experience and journey for me. Thanks for all your support.

We continue to sew together the scraps that were left for us by Betty Garrett. The colors and patterns have been so cheery. I'm sure the kids are continuing to enjoy the creativity of our quilters. Thanks for working on the scrap stash, which is not decreasing by much. Anyone wanting to help, let me know.

We will be holding workshops this month at First Baptist and Hopewell UMC Churches. It is suggested that we wear masks especially if we are closer than 6 feet apart. The rooms are large so we can spread out as needed. Please join us. Addresses, dates and times are on page 4. Hope to see you there.

Bella, a recent patient at North Georgia Medical Center sent this to me as a Thank You for her quilt. Isn't this special?
